

We've got exciting news to share—The Retirement Plans Division at Community National Bank is now CNB Custody with a brand-new look! We're proud to announce the launch of our new website and division logo as part of our ongoing growth. We want our brand to best reflect why we exist, what we believe in, and where we're headed. Our new tagline, **Responsive | Reliable | Remarkable**, represents our relentless commitment to customer service, trusted experience and expertise, and our mission to be the best in the industry.

Replacing "Retirement Plans Division" with "Custody" represents our future growth and the addition of exciting new products such as non-qualified accounts. **It's important to note that, although the name has changed, all investment registrations will still be under our legal name of Community National Bank.**

As part of our new brand identity, we have updated our website with fresh graphics, a user-friendly modern design and an easy-to-navigate format. We invite you to take a look at our new site and while you are there, remember to bookmark our new address: [www.cnbcustody.com](http://www.cnbcustody.com). When logging into the secure side of the website for the first time, your clients will see a pop-up box regarding our new e-delivery feature. Accepting e-delivery will allow future documents to be delivered electronically.

Our look has changed but you can be assured that we're still the same experts with the same strong work ethic who have the same goal to go above and beyond your expectations every day.

Sincerely,

CNB Custody  
A Division of Community National Bank
