

INVESTMENT REQUIREMENTS

- Establish IRA account
- Fund the account with contribution, rollover or transfer
- Complete Investment Authorization Form with investment instructions
 - Registration must be "Community National Bank CUST FBO: (account holder name), (account #)"

ALLOWABLE PRECIOUS METALS – See detailed listing on 2nd page

- Gold
- Silver
- Palladium
- Platinum

STEPS TO PURCHASE OR LIQUIDATE

- Choose your precious metal
- Select your precious metals dealer
- Complete Precious Metals Investment Authorization Form
- Attach invoice from dealer
- Submit paperwork to CNB Custody for transaction settlement
- Community National Bank does not buy or sell precious metals
- Community National Bank is not liable for pricing changes due to market fluctuations

FEES

- Annual custodial fees will be due to Community National Bank
- Annual storage & handling fees will be charged by the depository, Delaware Depository Services Company, and will be billed to your account
- First full year's storage fee is due at the time of transaction and annually thereafter
- Refer to current Fee Schedules for all fees that will apply
- If cash is not available in your custodial account, CNB reserves the right to sell assets to pay the applicable fees

DEALER

- Community National Bank is not a precious metals dealer
- You will be solely responsible for the selection of your precious metals dealer
- You will be solely responsible for the negotiations of the price and terms of each transaction
- You must complete your own due diligence when choosing a precious metals dealer

STORAGE

- Precious metals will be stored at a specialized depository
- Community National Bank works with Delaware Depository Services Company for metal storage
 - Dealers will deliver precious metals directly to the depository
 - Depository will issue formal notice of precious metals delivery
 - Community National Bank will rely on the accuracy of information from depository
- Choose segregated or non-segregated storage
 - Segregated – stored with your name/IRA number. When you sell, exchange, or take an in-kind distribution of the precious metals, you receive the exact same metals you originally deposited.
 - Non-Segregated – precious metals are co-mingled with other customers. When you sell, exchange, or take an in-kind distribution of the precious metals, you receive "like" metals, not the ones you initially purchased.

FAIR MARKET VALUATION

- Community National Bank statements will reflect a Spot Price
 - Spot price should not be construed as a firm bid price to buy/sell
 - Does not include any mark-ups, commissions, premiums, etc.
 - Considered a fairly conservative value
 - Contact your precious metals dealer for current price indications

- \$500.00 minimum cash balance must be maintained in a Precious Metals Only Account at all times
