VALUATIONS

If you invest in a non-publicly traded investment, it may not be readily marketable. If the fair market value cannot be reasonably obtained, it may be stated at the inventory value (original subscription price less return of principal) or in some cases, as "not available". Market values for publicly traded investments are normally obtained on a monthly basis. Values for non-publicly traded investments are requested quarterly, semi-annually, or annually depending on the investment type. For updated values, contact the investment sponsor or your financial representative.

INVESTMENT SELECTION

You, and/or the designated representative (Rep) you have appointed, have the sole authority and discretion to select and direct the investment of all assets in your Account. We permit you to invest in a wide variety of investments based on administrative factors only. CNB does not recommend or evaluate the prudence, merit, viability or suitability of any investment and will not be responsible for the performance of any investment product. You should seek adequate financial, tax, and/or legal counsel as necessary to manage the assets in your Account. Your Account Statement (and the reported values therein) should not be used as the basis for making, retaining, or disposing of an investment.

You may invest in any investments that you are qualified to purchase, that we deem administratively feasible at the time of the investment selection, and that are acceptable under the applicable laws. CNB reserves the right to refuse custody of any investment.

You accept full and sole responsibility for the success or failure of any investment decision. CNB has no duty or responsibility to monitor the performance of investments or actions of the sponsor, nor to monitor the adequacy of your actions or those of the designated rep you have appointed. CNB does not recommend, perform due diligence, or compensate the financial representative you have designated.

UNRELATED BUSINESS TAXABLE INCOME

Certain investments may generate Unrelated Business Taxable Income (UBTI) within IRAs. I understand that if my account generates UBTI in excess of \$1,000, IRS Form 990-T must be filed using a separate Employer Identification Number (EIN). Upon proper authorization, CNB will disburse funds from my IRA to pay applicable taxes generated from UBTI. I understand that CNB will not generate IRS Form 990-T for my account, therefore, I must consult with my tax advisor for preparation of this form as well as to determine my tax liability, if any.

ARBITRATION AGREEMENT

Any investment authorizations are covered under the Custodial Agreement that governs your Account. The Custodial Agreement is an enforceable contract that contains an agreement to submit all disputes to binding arbitration.
